HEALTH GUARANTEE INFORMATION

With the purchase of a puppy, Cassandra Hollenbeak (breeder) offers the following Health Guarantee to the Buyer. Buyer: signing your name to this warranty implies that you agree and understand this document and all that is written in it with no reservation.

In order for the health guarantee to be in effect the following conditions apply:

1. Purchaser must prove that the dog purchased from this breeder is from the litter mentioned above by having said pup micro-chipped and providing microchip information to the breeder within one month of purchase.
2. The puppy must be checked by the buyer's veterinarian within one week after the puppy is placed into the home. All required vaccinations must be administered every 3-4 weeks until puppy is 16-18 weeks of age. A licensed veterinarian must administer vaccinations.
3. Buyer must feed puppy a good quality dog food during its life cycle. I recommend Eukanuba Small Breed Puppy formula.

Buyer's initials constitute agreement to these conditions in order for breeder to honor health guarantee.

Microchip # _____ **Dated:** _____

I guarantee your pup against the following Hereditary Life Threatening Health Diseases* found within 1 year of the date of purchase with a certified veterinary check. Health diseases covered would be: Hereditary Liver shunt, Hereditary Heart disease, Hereditary Crippling Malformation of the Hip Joint ONLY. These medical conditions must be debilitating and life threatening in order for the guarantee to be valid. Verification of said health disease must be presented with a certified veterinary report. Buyer agrees that if said pup has been certified to have one of the above mentioned hereditary diseases, breeder will be given the opportunity to have the puppy checked by her own vet. If both veterinarians agree that said pup has one of the above-mentioned diseases a replacement pup will be given to the buyer once said pup is returned. If no puppies are available at that time, buyer understands he/she will have to wait until one becomes available. Buyer understands that under no circumstances will a cash refund be given for any reason at any time. If the puppy is returned, buyer understands that all registration, microchip and shot records must be present for guarantee to be valid. Buyer understands that breeder will have no financial responsibility for any testing, medication, vet visits, surgery or any other medical costs involved with the treatment of this puppy.

As a responsible breeder I take pride in the health and condition of my puppies. I do everything in my power to ensure that the puppy you take home today is free of any sickness or disease. However, a breeder cannot guarantee that any puppy you buy will be problem free. Because environmental factors can play a part in a dog's health, you as the buyer understand that the breeder will not be responsible for any other condition that the pup may have or develop during its life cycle. Examples of not guaranteed conditions are and not limited to: Internal or External parasites, ear mites, ear infections, all types of hernias, kennel cough, allergies, parvovirus, immune deficiencies, epilepsy or seizures, muscle conditions, stomach or bowel problems, etc. Purchaser takes full financial responsibility for the treatment of these types of conditions. Breeder does not guarantee breeding capability, hair coat, size, weight, behavior disorders, or dew claw removal.
